Themes

- How to structure your literature review; choosing how to refer to the ideas of others in your review
- When to quote directly from a source and when it is better to simply paraphrase the quotation or idea

Workshop Objectives:

- Engage in the writing skills for a literature review using samples
- Aligning your techniques with paraphrasing
- Developing a six step approach to a successful literature review through a checklist

About Facilitator:

Sherry Blok is the Programs and Academic Development Coordinator and an ESL/EAP lecturer at the Centre for Continuing Education at Concordia University in Montreal, Canada. She holds a Master's degree in Second Language . Education from McGill University, and is the recipient of the 2015 TESOL Teacher of the Year award. Her interests lie in EAP, global citizenship education, and teacher feedback.

Shumaila Omar is a faculty of Communication and Languages department at IoBM, Karachi. Currently, she is pursuing her PhD in English Linguistics from Hamdard University, and is a CELTA and IELTS trained teacher . Her interests are in EAP, ESP, Motivational strategies in the classroom and training teachers for the autonomy of learners.
