Ground Floor AKU-IED

**Time** 10:00 am-01:00 pm

**Date** May 28, 2016

**Fee** Rs.1,000/-

## **Workshop Objectives:**

The workshop addresses the issue of writing for publication in the area of education. One of the biggest challenge facing graduate students and faculty is how to write scholarly articles for publication in academic journals within and outside Pakistan. If you have a research study or a thesis that needs to be published this workshop might help you to initiate the writing process.

## **About Facilitator:**

Dr. Nelofer Halai is a Professor at the Aga Khan University, Institute for Educational Development in Karachi, Pakistan. She has played a leadership role in developing the doctoral program in Education at AKU which has now graduated 10 PhDs. She is the founding and the current president of the *Pakistan Association of Research in Education* (PARE) which is playing a key role in fostering a research culture in education in Pakistan. She is a member of the *Asia Pacific Education Research Association* (APERA) and the *World Education Research Association* (WERA) councils and has brought educational research in Pakistan to these international forums. Prof. Halai teaches research methods and science education to graduate students in the M.Ed., M.Phil. and Ph.D. programs. She is an active researcher with many national and international research projects to her credit with publications in international journals. She can be contacted at <nelofer.halai@aku.edu>
