50% Discount for PARE
members

Facilitator
Mona Jindani

Workshop Objectives:

Help participants to learn and understand:

- Importance of research in early years education system
- Basic understanding of ECD and how to work with young children
- Understanding the system of Early Years Education
- Purpose of educational research

About Facilitator:

Mona Jindani is a Facilitator. She has completed her MBA in Educational Management from Institute of Business Management (IoBM) and Advance Diploma in Human Development (ECD) from AKU-HDP. Her aim is to provide a platform where people can explore more about the Importance of Research in Education system. Her area of interest is Early childhood Education and she has also done research on "Role of fathers in early years" which was published in IJEHSR in 2013. She applies her skills to design and facilitate short and long-term workshops. She has participated in various community based projects as lead facilitator.
